Spokane Regional Emergency Communications (SREC) Launches New Mobile App to Enhance Public Safety

Spokane, WA – July 1, 2024 – Today, Spokane Regional Emergency Communications (SREC) proudly announced the launch of their innovative mobile app, designed to provide the community with a wide range of public safety resources at their fingertips.

The new SREC app offers a variety of features aimed at enhancing public safety and ensuring that residents have quick and easy access to essential information and services. Key features of the app include:

- **Fireworks Reporting**: Users can report illegal fireworks activity directly through the app, helping to keep the community safe and informed.
- **Evacuation Map**: An interactive evacuation map allows users to look up addresses and receive important information in the event of an emergency.
- **Safety Alerts**: Residents can register for real-time safety alerts, ensuring they are always aware of critical updates and information.
- **Crime Check Reports**: The app enables users to file online Crime Check reports conveniently from their mobile devices.
- **Public Records Requests**: Users can request public records with ease, streamlining the process for accessing important documents and information.

"We are excited to launch this new mobile app, which represents a significant step forward in our efforts to provide the Spokane community with the tools and resources they need to stay safe and informed," said Lori Markham, Executive Director of SREC. "By leveraging modern technology, we are making it easier than ever for residents to access vital public safety services and information."

The SREC app is available for download on both the Apple App Store and Google Play Store. Residents are encouraged to download the app today to take advantage of its many features and stay connected with their local emergency services.

For more information about the SREC app and other public safety resources, please visit SREC911.com.

About Spokane Regional Emergency Communications

Spokane Regional Emergency Communications (SREC) is a regionalized emergency response communications organization formed in 2018 as a Public Development Authority. Located in Spokane, Washington, SREC serves more than 550,000 citizens throughout the county as the primary PSAP for the region. In addition to answering emergency and non-emergency calls, SREC provides Fire and Law Dispatch services to 14 local Fire Protection Authorities and 7 local Law Enforcement Agencies in Spokane County. These services span more than 1,700 miles, and include management of more than 4,900 radios, 23 tower sites, and a backup center. SREC also writes reports for most of the law enforcement agencies in the region. We currently employ approximately 137 employees across the organization. Our mission is to get the right resources to the right location with an uncompromising focus on responder and citizen safety.
